Re: Ditech Financial LLC ("Ditech")  
Account Number: 689131779

Dear Valued Customer:

In accordance with the U.S. Treasury's Making Home Affordable (MHA) Home Affordable Modification Program (HAMP), Ditech will apply a \$5,000.00 principal reduction payment as part of the year six pay for performance incentive under HAMP on 01/01/2016 (or on the date Ditech receives the incentive from the U.S. Treasury). No further action is required to receive the principal reduction incentive. In addition to the principal reduction incentive, Ditech is offering you a one-time offer to re-amortize or "recast" your unpaid principal balance (excluding deferred principal) over the remaining term of the loan at no cost to you. Your new estimated principal and interest, payment amount, (excluding the sums required to be deposited for the payment of insurance, taxes, etc.) under the recast option would be \$732.03 due on 05/01/2016. This is an estimated principal and interest payment amount and your actual payment may be different. If you wish to be considered for the recast option, please sign and return this offer letter by 05/04/2016 to start the process.

**IMPORTANT: Your account must be current at the time of your request, and must not have lost good standing under HAMP (no more than 90 days past due at any time since your HAMP modification was applied) to qualify for this offer.**

Ditech has provided a comparison below of the total interest paid over the life of the loan to help you with your decision.
